Sponsorship Opportunity

Create a powerful impact at the first edition of the conference - an excellent platform to promote your brand & company with maximum visibility & business opportunity in the sector.

There are multiple sponsorship categories available to suit your requirement. Further, we can customize mileage to suit your company's requirement which will position your company with right mix of visibility & effective business networking for best ROI. The mileage is categorized in three categories- Print, Online & Onsite. All the sponsors will be offered benefits as per the given categories under each title. Following sponsorship categories are available
