ABOUT US

STEEL GROUP
—CONNECTING-THE-STEEL-WORLD—

Steelgroup is one of the largest conference organizers specially focused to Steel Flat Products & it's technology. It has commenced the journey with the inaugural Galvanizing Coating and Profiling (GCP) Summit in 2013 in Mumbai with over 275 delegates & made a strong presence in the industry.

ABOUT SUFI

" SUFI is a federation representing all the stake holders in steel space such as steel mills, steel users, steel traders, steel brokers and steel service providers across INDIA.

The fundamental objective of SUFI is to bring all the stake holders onto a common platform so that all can move forward in a tandem in order to achieve the targets as set in current steel policy by ministry of steel.
